

Nashville Rowing Application for Financial Aid

Nashville Rowing seeks to assure that no young man or woman is deprived of the opportunity to row for want of financial means. To this end, Nashville Rowing has limited scholarship funds to help defray the costs participating in programming. To assure applicable allocation of these limited funds, we ask that you complete the following form. The application is confidential and will be reviewed only by the Finance Committee with the Board of Directors. The Finance Committee makes awards based upon financial need and other considerations such as attendance and commitment level. The Committee prioritizes partial scholarships but does not prevent you from applying for a full scholarship if needed. All financial grants are subject to certification by the rower's coach that the rower has good attendance and a positive attitude during the previous season (this may be waived for new rowers) as well as timely payment of balance due amounts.
